Stained-Glass Letters | A | A product of Imercor Products, LLC

Letter A - cut around solid outer line

CUT. COLOR. MAKE IT YOURS.

1. PRINT at 100% / Actual size. Turn off Fit to page.
2. Cut on the solid OUTER 99 mm circle. Dotted guide: 88 mm visible area. Adult supervision suggested.
3. Color a picture; add the disc and picture, then close the attached back. Follow the assembly guide.

An adult unplugs the light before changing pictures. Guide: ColorMyNiteLite.com/experience/kit/guide.html

Check before cutting: this line must measure 2 inches.
