PRINTABLE PICTURE COLLECTION

CONSTRUCTION VEHICLES

12 pictures | 3 cutout sheets

Theme: Construction Vehicles

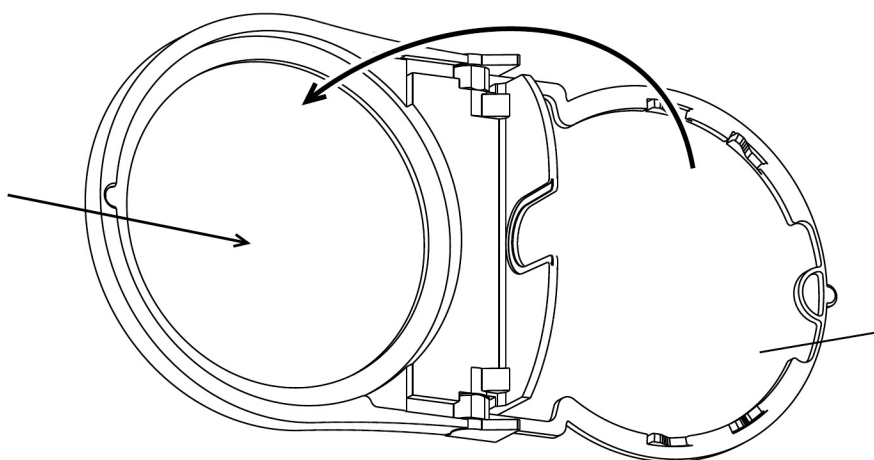

For ColorMyNiteLite picture changing and coloring.

HOW TO USE

1. Print the following three sheets on US Letter paper.
2. Select 100% / Actual size. Turn off Fit to page.
3. Check the 2-inch line on each sheet with a ruler.
4. ADULT: Cut out all the circles on the page, then let your child choose which one to color first.
5. After coloring, ADULT: add the disc and picture, then snap the back closed.

PLACE THE PICTURE AND CLOSE THE RING

1. Place the disc
and colored picture
in the frame.

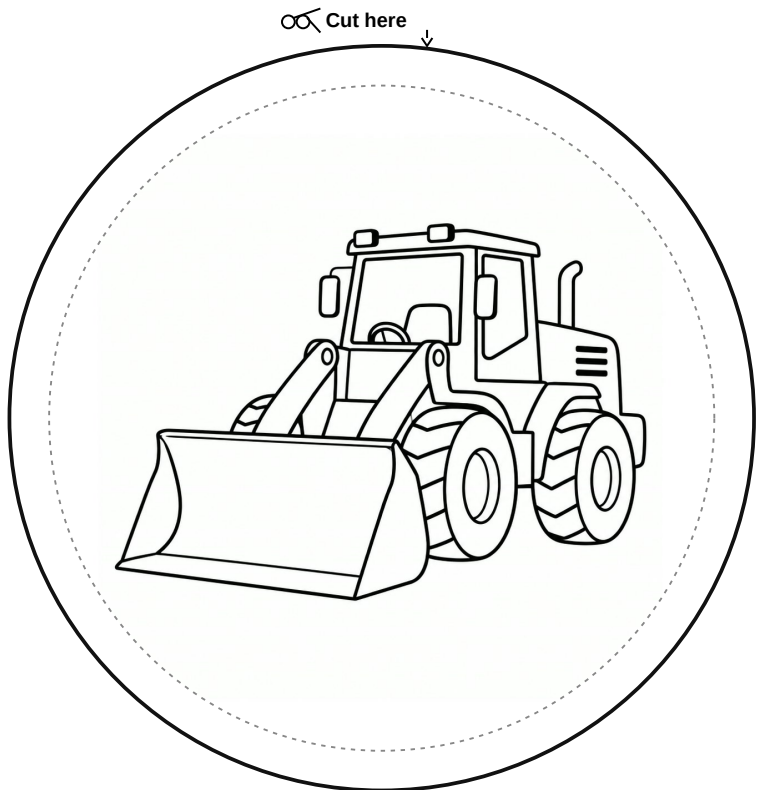

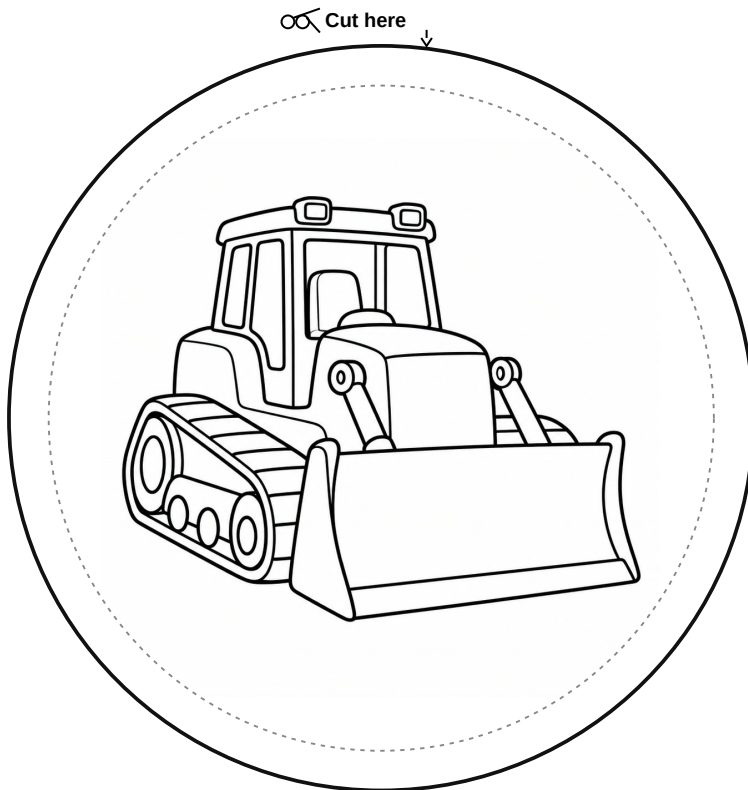

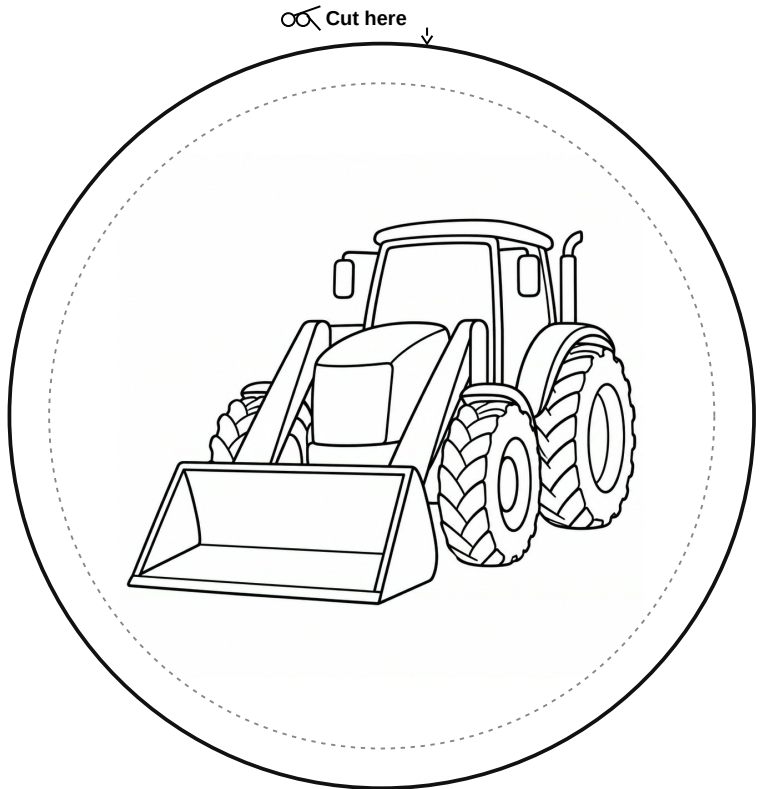

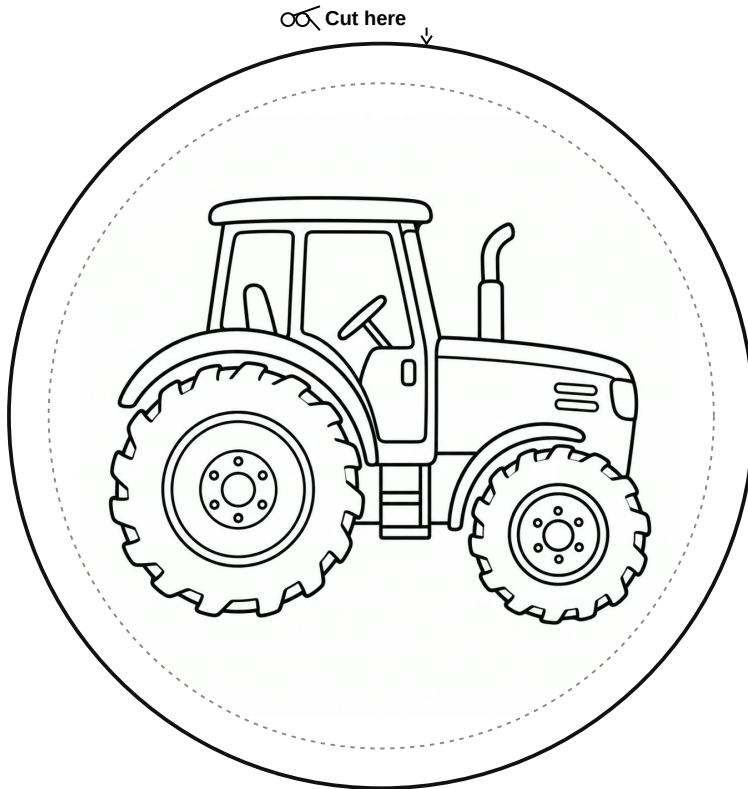

2. Rotate the attached
ring over the picture
and snap it closed
to hold the disc and
picture securely
in place.
